

**NATIONAL
FISH & CHIP
DAY** 1ST JUNE 2018

Celebrate **THE NATION'S**
favourite dish!
Whilst raising money for

Registered Charity England & Wales No. 232822 Registered Charity Scotland SC039088

Thank You for joining us on National Fish & Chip Day 2018!

Thank you for registering, we are so pleased that you are part of National Fish and Chip Day 2018 and hope you have chosen to support our UK fishermen and their families by raising funds for the Fishermen's Mission as part of National Fish and Chip Day on Friday 1st June 2018.

Fishermen who have been shipwrecked or injured, families devastated by loss or those crippled by poverty know they can always turn to the Fishermen's Mission and have done so since 1881.

Fishing remains the most dangerous peacetime occupation. One UK fishermen is killed every six weeks. A fishing vessel is lost at sea every twenty days. Not a week goes by without a fisherman being injured at sea, often seriously. The Fishermen's Mission provide a lifeline of welfare and emergency support to fishermen and their families.

Your wonderful help on National Fish and Chip Day, and the support which the industry gives to us around the year makes that care possible.

On the back of this letter are some fundraising ideas and details of how you send us the money raised following the event

If you have any fundraising questions please feel free to call the Fishermen's Mission office on 01489 566910.

Have a great National Fish and Chip Day !

Andy Malcolm
National Fish & Chip Day Manager
