

Fundraising Ideas

- **Simply ask Customers to donate their change** (its quick and simple) enclosed in your pack are 2 Fishermen's Mission collection boxes.
- **Buy a Fishermen a Drink / some Chips** - if your till system allows, set a 'specials button' which staff can use during order taking and ask customers if they would like to buy a Fishermen a Drink / portion of chips. At the end of the day you can reconcile this from your takings and this is your fundraising.
- **Run a Special where a % of the sale will be donated**
- **Have a prize draw with a portion of your best fish and chips as the first prize!**
- **Speak to your supplier** and see if they have any 'Deals on' which you could use as a fundraising promotion

Ultimately the day is about celebrating Fish & Chips around the UK and raising money to help support our Fishermen and their families in times of need.
