WHY WE ARE SUPPORTING

**THE
FISHERMEN'S
MISSION**

Fishing is the UK's most dangerous job.

- **100 fishermen lost at sea over the last 10 years**
- **1 fisherman seriously injured at sea every week**
- **1 fishing boat is shipwrecked every month**
- **A life at sea takes it's toll on retired fishermen and their families.**

The Fishermen's Mission provide emergency and welfare support to the men and women who risk their lives every day to catch our fish
